*Madame,*

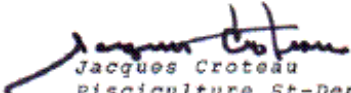

*We are writing to you, to let you know how much we appreciate Bacta-Pur® products.*

*We have been treating our ponds, tanks and raceways with Bacta-Pur® since 1985. We have noticed, over the years, that the treated water is easier to oxygenate, and the water is clearer.*

*Two particularly important problems for fish farmers have been solved with Bacta-Pur® products: control of ammonia and digestion of sludge in rearing and sedimentation ponds.*

*We would like to take the time to thank you and your staff for your attentive service and for response to our questions as well as for your products.*

*Sincerely yours,*
